OFFICIAL FAN CLUB OF MBSG

MAGRA MARINERS ASSOCIATION

The Magra Mariners Association is a registered organization under the West Bengal Society Act and is an officially affiliated fan club of **Mohun Bagan Super Giant**, based in Magra, Hooghly. It began its journey in 2014 with a few passionate Mohun Bagan fans and has since grown into an established organization comprising nearly 100 die-hard members.

Driven by our immense love for our Mother Club, **Mohun Bagan – the National Club of India,** we are proud and honored to be officially associated with Mohun Bagan Super Giant. We strive to be the "12th Man of Mohun Bagan," supporting the team passionately from the stands — whether it's Kalyani Stadium, VYBK, Kolkata, different parts of India, or even Dhaka during AFC Cup matches.

The people of Magra are passionate about sports, especially football. And when we speak of football, the name that comes to mind first is Mohun Bagan Athletic Club, the pride of the nation.

The Magra Mariners Association is now widely recognized not only for spreading the spirit of Mohun Bagan in and around Magra but also for its social service initiatives. Throughout the year, we remain actively involved in welfare activities such as organizing annual blood donation camps, distributing clothes to social workers and the underprivileged, providing beds, blankets, food, and medicines to patients at Magra Hospital, and supporting the younger generation with books and study materials. We also encourage football in the community, especially at the Magra Orphanage, and participate as associate partners in local football tournaments to promote the sport.

We are immensely grateful for the continued love and guidance from the management of Mohun Bagan Football Club and look forward to their unwavering support in the future as well.

With the blessings and care of our Mother Club, **Mohun Bagan,** we shall continue to carry forward our social and football-related endeavors with pride and dedication.

Joy Mohun Bagan!
